

Reflex[®] Micropack

Range Chart

white

The paper for sustainable packaging with a unique barrier property

202112

Micropack - the transparent special paper - provides a natural barrier to oxygen, flavors, mineral oils and greasy foods. Made from nearly 100% natural pulp, it is fully biodegradable and easily recycled and composted. Made from renewable raw materials, Micropack is an environmentally friendly solution to replace plastic and aluminium packaging. Micropack can be printed, finished and processed with ease.
